### **Puppy Program Policy:**

Your dedication to our program means a lot to us and our volunteers. The puppy program is a 10 month program meeting on a weekly basis. COSD and its staff are deeply dedicated to helping you reach the goals you have for your dog to be a Service Dog for your disability. By selecting this program you are agreeing to the following:

You as the PP will attend puppy selection day (when the puppies are 6 to 7 weeks of age). You will be matched with a previously temperament tested dog that we feel is suitable for Service Dog work and training through our program. If you do not show up to this appointment, you will forfeit your non refundable deposit and lose your spot in line for a puppy. This also applies when picking your puppy up at 8 weeks of age. You are responsible for all class fees to be paid up front at or before the puppy is 8 weeks of age and is ready to go home with you. Failure to do so will result in the inability to receive a puppy or participate in the training program.

You further agree and understand that you are not promised a puppy from a particular litter, gender, size, color, or parents of the puppy that you are matched with prior to puppy selection day. You will be sent a list of items we are in need of and will need to bring them to us at puppy selection day. If the supplies are not received, you will be required to pay \$300 to cover the supplies. Initial forms of payment accepted are as follows: Cash, Check, Western Union, Zelle, or CashApp. At the day of puppy pickup, ONLY CASH is accepted unless you have prepaid more than a week in advance.
